NEW BUSINESS:

Vice-President – Fridge

Need approval to spend \$8 to get webpage up and running Robin/Ken all in favor. Cookbob brought up the question about amending the bylaws so that every year we do not have to bring this up and the executive board will put in the budget. Which any (per pat) merchandise can be reordered without approval. Bylaws under expenditures – we need to specify in the bylaws. Robin is going to write up an addendum to correct this.

1) Toys for Tots – Rob was working on.....unfortunately they are out of boxes and we cannot obtain any. So the decision is do we want to collect anyway or do we want to forego this year? Per Robin...why not collect a monetary donation from our members and make a donation down to Toys for Tots. Any other

ideas or proposals?? Toys per Amy and Taby.. Brian give money if you want or toys. Motion made by Tommy / Ken to collect toys. **Final outcome was to donate toys. Please bring unwrapped new toys to December 9th meeting**
