NEW BUSINESS:

Mother Chapter sent out to all Presidents a gavel which was shown at the meeting.

2011 Dues will be coming due. We have been averaging 15 people at the meetings and rides minimal amount of members attended also. Money due to the Mother Chapter for charter. Manny not sure if he is doing a flat fee or a percentage based on member count

Toys for Tots we are able to get 3 bins. UPMC Cranberry will put a bin there in the ER and possibly 1 at Passavant Main. Baden VFD, 3Bs Lounge and Hollywood Café.

Possibility of our organization putting on a ride for next year. We will need a lot of help in getting this started. Looking for a Toys for Tots ride late September / early October to be the last ride of the year. Possible Christmas in July ride is also an option. Ask for donations for Chinese auctions and door prizes. If a company needs a letter, please contact Rob to get the letter to that company. Include contact name, name of company, address, phone, email and/or fax. (Possible \$15 for rider and passenger plus 2 toys for an example). Start and end would be at the same place. All ideas are welcome!!

Do we want to consider moving our meeting day to get more members to attend?? Sunday morning for breakfast?? Another weekday? A weekend?? We need options for meeting locations. North Park Lounge in Cranberry in another option to go back to. We have over 40 members and the same 10-15 show up. We need everyone's input. Everyone is part of this organization and we (the executive board) want everyone's participation and input in everything we do.

We want to see this chapter come back together as a family again. Whatever issues or problems you have with attending and participating please contact Rob, to discuss.

Ideas for upcoming events: Scare house; Moundsville penitentiary, corn maze, pumpkin patch, for a family and/or member day/night out.

Considering and discussing the fact of any new members giving them a "probationary" period to see how much time they are able to put in to the organization and how they ride in groups. We need to re-review our by-laws. Also, as a reminder, if you have not made four (4) meetings this year (according to our bylaws), you are unable to vote in December for officers.

Back in July, Fridge spoke to a gentleman for t-shirts who is able to do 12 minimum for front and back for \$18 up to an extra large then a \$1 after that to 5XL.

Are we getting a booth for EMSI this year? With last year's rate for a small booth was around \$800. If not a booth, are we going to go up and stay as a group? We are looking into hotel or condo options just as last year.

A text and email will be going out in a survey to see what day, time, etc will be good for our members in order to get more participation. Please Respond!

Adjourned at 8:00pm
